

*Life may be as fragile as glass.
The soul gives us strength.
Memories give comfort and help us heal.*

Wishing you strenght to pass through
these dificult times.

“Glass Butterfly” by Marina Madalina Muscan

Even though sometimes life is as fragile as glass the soul is the one that gives us strength and the memories of the people we love are part of our soul and give us comfort and help us heal.

「ガラスの蝶」

時に生はガラスのように儂い。しかし魂は力を与えてくれる。そして、愛する者たちの思い出は私たちの魂の一部であり、安らぎと癒しをもたらす。
